

Own Your Own Engagement

The Utah Leadership Institute introduces an innovative two-day pilot course, designed to help you take control of your own destiny!

A great deal of study and research has shown the importance of employee engagement and significant effort has been made by leaders and organizations to increase employee engagement.

This course will show that most highly engaged employees take personal and primary responsibility for their own engagement, and will help leaders more effectively nurture employees in Owning their Own Engagement.

In this two-day course you will learn:

- What is employee engagement
- What are the benefits to me and to the organization
- What is the difference between employer based and employee based engagement
- What are the 6 key drivers of employee engagement
- How can I help my staff Own their Own Engagement

FREE Two day workshop
Wednesday and Thursday, April 1 and April 2, 2009
